

Media Release

Girl Scouts of Spring Creek has a web site for the ongoing information about our activities. A link will be provided to access an online photo album where we would like to keep photos of our Girl Scouts engaging in the various activities. Even though by signing the bottom of the registration form, you have released permission to use your girl's image for Girl Scout promotion and publicity, we feel the need for a media release form is necessary when putting the girls' pictures online. This photo album will be accessed by invitation only to those registered members who wish to subscribe. Girl's names will not be published.

Please review the options below, check those that apply, and return to the Service Unit. Thank you.

Registered Girl Scouts Names _____

- I give permission for my Girl Scout's picture to be placed on the Spring Creek Girl Scouts Website or in the online photo album.
- I do not give permission for my Girl Scout's picture to be placed on the Spring Creek Girl Scouts Website or in the online photo album.
